

Resource: Name Song

Purpose:

- Name activities make learning letters more meaningful
- Help children make comparisons between their name and classmates' names
- Help children make connections between their name and other words
- Draw attention to specific letters and distinguishing features

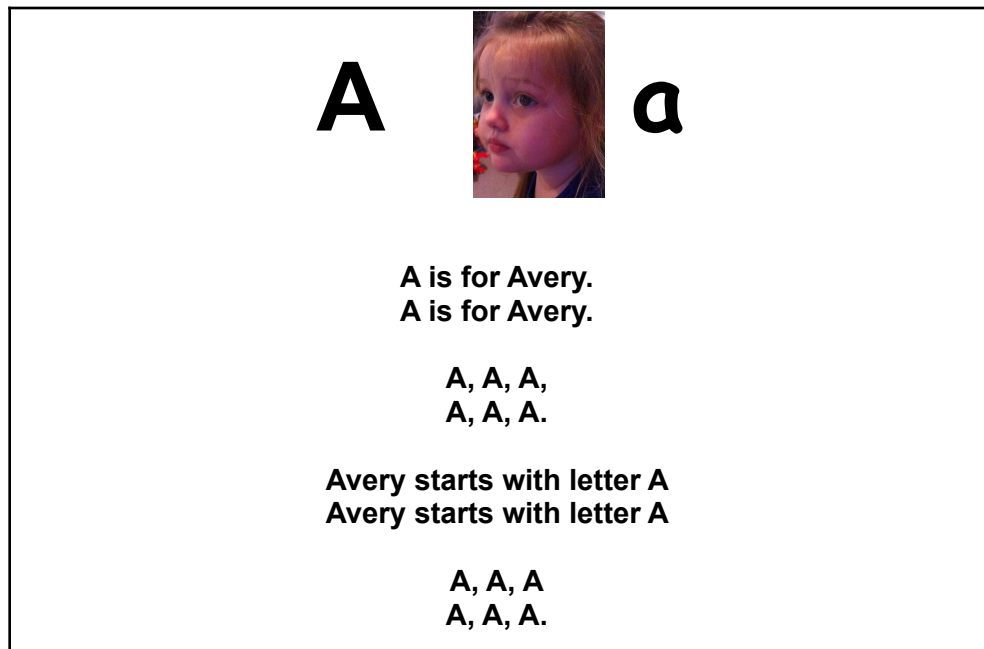

Materials Needed:

- Teacher-made song pages

How to Use:

Prepare

- Create a song page for each child
- Use an 8 1/2" x 11" piece of paper
- Make pages as illustrated below

Use with students

- Sing the song (tune: *Are You Sleeping?*)

Extensions

- Have students hold their own page in front of the class as everyone sings
- Distribute the pages randomly and have students find the person whose page they have

- Create a Class Names Song Book
